I came across the Mullingar Crystal web site and was initially impressed with both the quality of products and the value for money. I decided to place an order for an engraved/crested crystal cup. Initially I called the company and found the person extremely helpful and promised to have the cup delivered by the end of the week. As it turned out, I placed my order Monday morning and the Cup arrived the next day.

I was thrilled with the quality of the product and the speed in which it was delivered.

I would happily recommend Mullingar Crystal to anyone.

Regards,
Daniel Flynn, Flynnex Cup Championship (Dublin)
